Health Checkup Self-Assessment Questionnaire | 자가문진표

The following self-assessment questionnaire is intended for your personal reference and does not directly influence the outcome of your admission. However, it is important to ensure that you are in good physical and mental health, not only to successfully complete the full duration of the Master's Program but also to adapt to an environment that involves daily close interactions with classmates and, for some students, shared accommodations with others. Applicants who are pregnant are strongly advised to apply after childbirth for safety reasons, as the Master's Program is highly intensive. Please also note that Yeungnam University is not responsible for the treatment of any pre-existing medical conditions.

Please answer all the questions below. ★ Required

**1. Have you ever been diagnosed by a doctor with any of the following conditions, or are you currently taking any medication?**
